THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

While the improvement at the Southeast corner of Market and Second has not required the outlay of any great amount of money, yet when completed it will be noticeable for the pleasing change made in the buildings.

The election yesterday passed off peaceably, decently and without the least friction. The nearest to a fight was in Market street between two colored men, Walter Lewis and Walter Stokes, and Sheriff Roberson stopped that before actual blows had been struck.

MURPHY, the Jeweler.

George Campbell, the colored Court street janitor, was the first to discover the fire in Lawyer Cole's office. He called to his aid others who assisted him in extinguishing a blaze that threatened the entire block. He is entitled to thanks and something more from the dwellers and occupants of buildings in the street, for by his discovery he saved them from considerable loss.

TURKEYS! TURKEYS! TURKEYS!!!
Mr. E. L. Manchester, Manager of the Keystone Commercial Company, will pay 12½ cents for all good, fat, nice, plump No. 1 Turkeys, delivered at their house, and will pay this price until further notice. Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

The merchants and landlords of Danville are organizing a unique protective association. Each landlord supplies every member of the association with a list of people to whom he has rented and who have been dilatory in paying rentals or from whom it has been impossible to collect. The members take upon themselves an obligation combined with a heavy forfeiture not to rent to such tenants until they have first satisfied the original landlord to whom they are indebted. The same policy will be pursued by the merchants in selling goods on credit.

"When I say a square deal, I mean a square deal; exactly as much a square deal for the rich man as for the poor man; but no more. Let each stand on his merits, receive what is due him, and be judged according to his deserts. To more he is not entitled, and less he shall not have."—President Roosevelt.

"AND what will the campaign liar do after next Tuesday?" inquires The Cincinnati Commercial Tribune. Pshaw; that's dead easy. He'll be coining a new crop of lies to work off during the next campaign.

ONE of the changes brought about by the new order of things in Russia is the replacing of M. POBEDONOSTSEFF as Chief Procurator of the Holy Synod by Prince BOLENSKY. This will be a great relief to those printing offices that have only a shirt-tail full of type.

THE Confederate Veterans and Daughters of the Confederacy of Lexington have resolved against the presentation of "Uncle Tom's Cabin" in that city; but that won't prevent Maysville people from climbing over each other's backs to buy tickets for it next Saturday.

"TENOR" is kindly and lovingly advised that when a local newspaper criticises an official, that official straightway withdraws his patronage from the aforesaid paper, and there isn't a son-of-a-gun in all the crowd that indorses what the paper said that will step up and take his place, either as subscriber or advertiser. Just come in and try it a whirl or two.

FOR the time being the war in Kentucky has been transferred from Breathitt to Bell county.

THE Negroes of Richmond, Va., have organized a Negro Party. Their emblem is probable a \$.

THE Chicago Chief of Police is a very modest man. He has ordered that all statues in the art galleries of that city shall be clothed with something more substantial than fig leaves.

THE REV. PERLEY A. BAKER, National Superintendent of the Anti-Saloon League, which had led the fight against Governor HERRICK for re-election as Governor of Ohio, said Saturday night—

"I see no reason why I should revise my former estimates of 30,000 plurality for PATTISON. I have been over practically the whole state, and if one-half the people vote against HERRICK who have said they would, PATTISON will surely be elected."

What the Rev. BAKER said Tuesday night has not been reported; but he has probably come to the conclusion that there is an unusually large crop of liars in Ohio this year.

A VALUED friend wrote for THE LEDGER a few days ago an article commenting on the management of affairs in Mason county, and taking the local newspapers to task for not exposing what he is pleased to register as the wrong-doing of officials. It is one thing to print a story that comes from some one who is disgruntled; it is quite another to hunt down and print facts—facts that will stand. THE LEDGER has never yet failed to tell the truth about public matters, so far as the truth could be ascertained; but what's the use filling the columns of a paper with even facts so long as the people pay no heed to them? Time and again THE LEDGER has protested against the illegal acts of the Fiscal Court in paying to its own members and to Constables enormous fees—without the semblance of law for the same. But the Graft goes merrily on; and the taxpayers appear to like it.

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."

"The time-worn injunction, 'Never put off 'til to-morrow what you can do to-day,' is now generally presented in this form: 'Do it to-day!' That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

MISTAKES.....

Are frequently far reaching, and universally so when one buys any article other than the very best in the way of supplies for the table. The country is full of stale, inferior and poisonous stuff, which is every day being palmed off on an unsuspecting public for good and wholesome foods. Because of this the straightforward, honorable and conscientious dealers throughout the country are united in an effort to induce Congress to pass a universal pure food law, which will prohibit the manufacture and sale of impure and poisonous foods, such as are now being sold by unscrupulous dealers, and consequently drive out of business all the "cheap john" concerns that deal only in such stuff. I began business in Maysville over twenty-five years ago determined to only handle the best, act honorably with my customers and never misrepresent anything to make a sale. Whatever of success I have had with you I attribute to it at all times standing by that determination. My experience of more than forty years in the business has qualified me to know the good from the bad when making my purchases, and has also satisfied me the true road to success is to deal fairly and honorably with the public, sell the best goods at fair prices and never practice deception to make a sale.

I am now getting in my larger purchases for the fall and winter trade and I do not hesitate to say that when all in and opened up I shall have the largest, cleanest, most varied stock of high grade goods ever offered in our city. My stock of Canned Goods and Fancy Groceries of all kinds will be immense, bought at the lowest prices any jobber can buy them, very much lower than such goods can be bought at today, consequently I shall be prepared to meet any and all competition. My special brands of Red Canvas Hams and Breakfast Bacon and fine Leaf Lard are becoming more popular each day with those who only want the very best. Perfection Flour is the leading flour and the sales are increasing rapidly because it has been proved to be the best and purest sold in this market; always reliable. I don't have to be continually changing to find something better. It is truly what the word implies—Perfection. In fine Blended Coffees I have the run, because I sell only the best at reasonable prices, always fresh, still going at 15c, 20c and 25c. I want every person to visit my store, and a special invitation is extended to country people when in our city to make my house their headquarters. You are always welcome, and it will be the old-fashioned Kentucky kind. I pay cash for Butter, Eggs, Poultry and Country Produce such as I need in my trade, but will only buy the very best. If I please you want you to be sure and tell all your neighbors and friends. If anything wrong, come direct to me and don't mention it to any one else; I make everything right.

A SUGGESTION

To the People of Maysville.

The articles appearing in some of our leading publications have created a good deal of discussion in Maysville in regard to advertised medicines, their reliability and power to cure, and as a local druggist, I, John C. Peacor, want to say to the people of Maysville that I believe one of the most reliable medicines that we have known in our drug experience, extending over a long period, is Vinol, the cod liver preparation, made without oil.

Vinol is not a patent medicine; everything in it is printed on the back label of every bottle, and it actually does contain in a highly concentrated form all of the medicinal, curative elements of cod liver oil taken from fresh cods' livers, and without a drop of the system-clogging oil to upset the stomach and retard its work, and this is why it is fast superseding old-fashioned cod liver oil and emulsions.

Inasmuch as Vinol is therefore the latest scientific improvement of an old and standard remedy it is the greatest strength creator in the world for old people, weak, sickly women and children, nursing mothers and after a severe sickness. It cures hacking coughs, chronic colds and all pulmonary troubles. We positively guarantee to return money if it fails.

JOHN C. PEACOR, Druggist.

Four Facts For Sick Women To Consider

Lydia E. Pinkham's Vegetable Compound Has an Unequalled Record of Cures—Mrs. Pinkham's Advice Is Confidential, Free, and Always Helpful

FIRST.—That almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful menstruation, leucorrhoea, displacements of the uterus, pain in the side, burning sensation in the stomach, bearing-down pains, nervousness, dizziness and sleeplessness.

SECOND.—The medicine that holds the record for the largest number of absolute cures of female ills is Lydia E. Pinkham's Vegetable Compound. It regulates, strengthens and cures diseases of the female organism as nothing else can.

For thirty years it has been helping women to be strong, curing backache, nervousness, kidney troubles, all uterine and ovarian inflammation, weakness and displacements, regulating menstruation perfectly and overcoming its pains. It has also proved itself invaluable in preparing for childbirth and the change of life.

THIRD.—The great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

FOURTH.—Every ailing woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Standing Invitation to Women.—Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. From symptoms given, your trouble may be located and the quickest and surest way of recovery advised. Out of the vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Surely, any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.

CAN'T BE SEPARATED.

Some Maysville People Have Learned
How to Get Rid of Both.

Backache and kidney ache are twin brothers.
You can't separate them.
And you can't get rid of the backache until
you cure the kidney ache.
If the kidneys are well and strong, the root
of the system is pretty sure to be in vigorous
health.

Doan's Kidney Pills make strong, healthy kid-
neys.

Mrs. J. B. Gibson, of 22 East Fourth street,
Maysville, Ky., says:

"The prompt and thorough action of Doan's
Kidney Pills should recommend them to every
one suffering from backache or kidney troubles.
I have known the value of this remedy for sev-
eral years. Its use in my case proved to me
that it is a reliable kidney cure and cannot be
excelled for backache or weaknesses of the kid-
neys. I have recommended Doan's Kidney Pills
before and I should advise every sufferer to get
a supply at J. Jas. Wood & Son's Drugstore and
try them."

For sale by all dealers. Price 50 cents a box.
